Subject: Tecumseh TecTools (Beta) is Live

Dear Valued Customer,

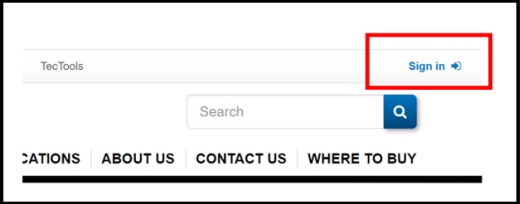

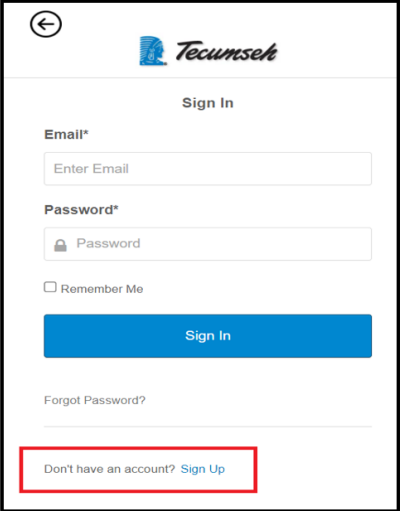

We are pleased to announce that the Tecumseh TecTools (Beta) platform is now live and running. You can log on to our website at www.tecumseh.com to register for an account and access the tools suite. Registration steps are highlighted for your reference in the image below.

The Tecumseh TecTools suite include features such as a cross reference tool, wholesale locator, product selector and a refrigerated box load calculator. In addition to the web-based version, a mobile version of the TecTools is also available and can be accessed via the App Store or Google Play Store depending on the type of device / operating system you have available.

Customer feedback is important to us! Please share your experience with us on the usability and functionality of the Tecumseh TecTools by clicking on the following link: <https://forms.gle/cpzv5ZyQ5So8G5vQ8>. Alternatively, you can also reach out to your Tecumseh regional territory sales representative to provide feedback or seek additional clarification and support with navigating the TecTools platform.
