

## EU DECLARATION OF CONFORMITY

**Tecumseh Products Company LLC**  
**5683 Hines Drive, Ann Arbor, MI 48108, USA**  
**Tel: + 734.585.9500**  
**www.tecumseh.com**

Tecumseh Products Company LLC, Michigan, USA declares under our sole responsibility that the following products

– **Hermetic Motor Compressors** (including electrical parts) **series VTC** with refrigerant R290, are in conformity with the following EU Directive(s):

**2014/35/EU**                      **Low Voltage Directive (LVD)**

following standards were applied:

**EN 60335-1**                      **Safety of Household and Similar Electric Appliances – General requirements.**  
**EN 60335-2-34**                      **Safety of Household and Similar Electric Appliances Particular Requirements for Motor Compressors.**

PED 2014/68/EU: **Hermetic Motor Compressors series VTC** are classified no higher than category 1 under article 13 of the PED. Therefore, they are excluded from the Pressure Equipment Directive 2014/68/EU.

**Manufacturer: Tecumseh Products Company LLC**

This declaration is based upon the application of the standards noted above and the Technical Construction File (TCF) noted below. Any exceptions, or cases of noncompliance to the specifications, are noted within the TCF documentation. The TCF is maintained by Tecumseh Products Company and consists of the following documents.

**TCF#: 600A1936:**              Product Datasheets  
SA707-20190614-Certificate of Compliance  
SA707-20190614-Description-Volume 14, Section 15  
CB SA707-D5-CB-1-Original  
PED 2020-ER-001983-RD-PED

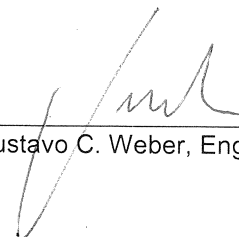

**This Declaration of Conformity is for the above-mentioned component(s) only. The end product, machine, or apparatus incorporating this component(s), must be found to be in compliance with all applicable standards and directives listed in the Official Journal of the European Communities.**
